

National Team Competitions Dress Code Update

With us continuing to face the challenges of providing players with a COVID-19 safe environment the EIBA have reviewed its Dress Code for National Team Championship matches for the early rounds.

To assist Clubs who wish to not use changing rooms currently, due to them being a place where numbers of players would gather, the EIBA will now permit teams to wear greys with their Club / County Shirt.

The EIBA will review the dress code for Area Finals and National Finals in the New Year.

If you have any questions, please don't hesitate to contact me.

Regards

Hon. Secretary
